

THE EMERGENCY PREPAREDNESS & RESPONSE COMMITTEE OF THE NATIONAL NETWORK
OF LIBRARIES OF MEDICINE (NN/LM) SOUTHEASTERN/ATLANTIC (SE/A) REGION
PRESENTS:

**“IT’S THE BIG ONE,
ELIZABETH!”**

**HELPING NC HOSPITALS
PLAN FOR
INFORMATION ACCESS
FOLLOWING DISASTER**

From hurricanes to blizzards, from power outages to pandemics, are you able to provide the information your hospital needs? And if you’re unable to provide it yourself, who covers for you? Join us for a day-long workshop in either Raleigh or Charlotte. The program at each location includes the following class, talk, and workshop:

[*A 10 Step Approach to Service Continuity Planning*](#) (2 CE MLA Credit Hours) with Dan Wilson, MLS; Coordinator, NN/LM National Emergency Preparedness & Response Plan

The Knowledge Professional’s Role in Critical Decision-Making in Hospital Preparedness and Response with Barbara Bisset, PhD MPH MS RN; Executive Director, Emergency Services Institute, WakeMed Health & Hospitals

Workshop to Create Mutual Aid Agreements between libraries and NC hospitals to ensure access to patient care and response information following a disaster or service disruption

Who should attend? Hospital Librarians, NC AHEC Librarians, and Staff responsible for NC hospital information needs.

Two Sessions: Choose Raleigh on March 29, 2010 from 9:30am to 4pm, [WakeMed Andrews Center](#), 3024 New Bern Avenue OR Choose Charlotte on March 30, 2010 from 9:30am to 4pm, [Charlotte AHEC Training Center](#) at 5039 Airport Center Parkway.

Registration: Due to grant support, this program is *free* to participants. A small travel stipend will be available to offset minor travel expenses. Register at <http://www.surveymonkey.com/s/527B7WG>
Seating in Charlotte is limited, please register early.

This project has been funded in whole or in part with Federal funds from the National Library of Medicine, National Institutes of Health, Department of Health and Human Services under Contract No. NO1-LM-6-3502 with the University of Maryland Baltimore.

Central Park, NYC, February 2008. This photo has become an icon for the NN/LM Emergency Preparedness & Response Plan, as it embodies two facets of Emergency Management—the umbrella as an example of preparedness, and the statue of Balto, the sled dog, who led the final leg of a run to deliver diphtheria antitoxin to Nome, Alaska in 1925, as an example of response.
